

Renovated HOME in Clarkdale: FUTURE HOMEOWNERS

Meet Irasema, Bryan, and Jacob FUTURE HOMEOWNERS.

They will be moving to Clarkdale this year, as soon as their home is renovated. Irasema and Bryan have begun their sweat equity hours and are looking forward to being in their new home. Look for future articles about them as we get to know them better.

Valley Habitat for Humanity partners with you to

rehabilitate a home in Clarkdale for them.

How many monthly or quarterly fees are you paying for? I have Hulu, Audible, Disney+ to name a few.

Do any of them impact your community in a mighty way?

You can make a huge impact on your neighbors by joining our Carpenter's Club today easily and securely.

Recently Bill reminded me how easy it was to make a difference without even thinking about it.
